### TCA DESCRIPTION

<b>Themes and goals:</b>	Goal of the event is to support representatives of preschool institutions in professionalization of their knowledge and skills within planning and realization of educational international cooperation projects. To full fill that goal we offer teachers, headmasters and workers of preschool institutions attendance in a training supported by trainers, who are experts in planning and realizing international projects. Participants will work in teams on the draft of projects concerning their interest, so groups will decide on themes of projects concerning ECEC, important from the point of view of their institutions and local communities. General goal of the event is to increase number of good quality projects concerning early childhood education and care. Specific goals are:• to broaden knowledge and skills of participants concerning project planning and management,• to create partnership projects, which can be submitted by groups to next generation Erasmus+ programme.
<b>Expected results:</b>	Participants will broaden their knowledge and skills concerning project planning and management. Participants will find partners for projects and will create drafts of the projects.
