Consortium Summary

Please provide a short summary of your mobility consortium. For successful applications, this section may be used by the European Commission, Executive Agency or National Agencies in their publications or when giving information about awarded mobility consortium accreditations. It will also feed the Erasmus+ dissemination platform. Please be concise and clear, and mention at least: the objectives of your consortium, the basic elements of the main activities, a short description of the results and impact envisaged.

Participating Organisations

Please note that the Organisation ID has replaced the PIC as the unique identifier for the organisation to apply for Erasmus+ and European Solidarity Corps actions managed by National Agencies. Organisations that have a PIC and have previously applied for funding in these programmes through the National Agencies have been assigned an Organisation ID automatically. Please use the Erasmus+ and European Solidarity Corps platform to check an Organisation ID, update information linked to it or register a new organisation:

Consortium Description

Objectives and Purpose

What are the objectives of the mobility consortium?

What are the issues and needs you are seeking to address through the consortium, in particular compared to the individual higher education institutions member of the consortium?

What mobility activity types will be carried out?

Please specify if the consortium will cover only mobility between Programme Countries, between Programme and Partner Countries, or a combination of both.

Why and how did you choose your consortium members?

If applicable, what experiences and competences will enterprises and/or other organisations bring to the consortium?

Consortium Management

Please describe your consortium management with reference to, for instance, pooling and sharing of tasks/resources within the consortium, setting up of inter-institutional agreements with transnational/international partners, finding host organisations/enterprises and preparing learning agreements or mobility agreements with participants if it offers an added value compared to organising it individually by the HEIs members of the consortium.

Preparation of Participants

What kind of preparation will be offered by the consortium to participants in addition to or instead of the arrangements by the individual HEIs members of the consortium (e.g. task-related, intercultural, linguistic, risk-prevention, special needs, etc.)? Who will provide such preparatory activities?

Roles

What are the roles and responsibilities of each consortium member (including the applicant/coordinator) in the activities of the consortium? Will the consortium or will the individual member institutions provide information and support to participants before, during and after the mobility including on recognition issues? Who is in charge of selecting participants and taking measures concerning the participation of disadvantaged groups? If the consortium is dealing with these issues, please describe how. How do you intend to cooperate and communicate with your consortium members and other relevant stakeholders? How will monitoring arrangements be put in place for participants during their mobility periods? Who will monitor their mobility programme and progress?

Follow-up

Please describe what will happen after the end of your main activities.

Impact

What is the expected impact on the participants and national and transnational/international partners of organising mobility via this consortium as compared to the organisation by each individual HEI?

What is the expected impact of the consortium at the institutional/organisational, local, regional, national and/or international levels?

Dissemination of Results of the Consortium

Which activities will you carry out in order to share the results of your consortium outside your organisation, members and partners? What will be the target groups of your dissemination activities?

Evaluation

Which activities will you carry out in order to assess whether, and to what extent, your consortium has reached its objectives and results?
