Parallel working groups (45 min.)

Towards inclusion and diversity: Key factors and recommendations

Reflecting the presentations, participants will exchange experiences and reflect on needs and challenges to realize inclusive mobility projects.

Participants will identify key factors and highlight successful project designs and mobility schemes for inclusive pupil mobility. Participants will address the following issues:

1. Including pupils with special needs in pupil mobility projects – recommendations for schools / project practice
2. Including pupils from diverse social and cultural backgrounds in pupil mobility projects – recommendations for schools / project practice
3. Chances of virtual mobility and blended mobility via the eTwinning platform – recommendations for schools / project practice
4. How to reach out to schools with a high number of disadvantaged students? What kind of support do schools need to launch inclusive mobility projects? Reflection about preconditions and supporting activities for schools – recommendations for National Agencies, School authorities and the European Commission

Break (15 min.)

“Making inclusion a reality”

Panel discussion to reflect the results of the working groups (20 min.)

Lunch break

Wednesday, 12th May (meeting from 1:30 – 4:00 pm)
